MAY IT PLEASE THE TRIBUNAL**Introduction**

1. This memorandum is filed by the Crown on behalf of it and the stage one claimants.
2. The Tribunal directed the Crown and stage one claimants to report on 2 June 2020 on their progress concerning matters arising from the interim recommendations made in the *Hauora Report*. Counsel seek leave to file this memorandum late.
3. On 15 April 2020 the Crown and stage one claimants filed a copy of the finalised Heads of Agreement that sets out the basis for engagement between the parties.
4. Since this time, the Crown, the stage one claimants and their counsel have been virtually working together to agree funding for the claimants to progress work on the interim recommendations. Last week, the parties agreed funding until 31 August 2020. Contracts will be signed shortly, and the money should be received by claimants in the next week or so.
5. With funding in place the parties will progress the work outlined in the Heads of Agreement over the next three months.
6. The parties propose to update the Tribunal with their progress on 31 August 2020.
