TĒNĀ, E TE TARAIPIUNARA

1. This joint memorandum addresses inquiry planning for the 25-29 November 2024 hearing week

2. The Tribunal had directed that a draft timetable for the hearing week be filed by today 25 October 2024. It also directed that requests to cross-examine hearing one witnesses be filed by 4 November 2024

3. However with some parties being given leave to file evidence after the 21 October filing date with the evidence all now due to be filed by 30 October leave is sought to extend the date for filing the timetable until **4 November 2024**.

4. Since the complete suite of the claimants' evidence for hearing one will only be filed by 30 October 2024, counsel also seek an extension to file any requests to cross-examine by **8 November 2024**.

5. At this stage counsel can indicate that given the evidence filed to date and due to be filed the hearing week will be filled.
