MAY IT PLEASE THE TRIBUNAL:

Introduction

1. On 20 November 2024 Counsel filed Generic submissions regarding climate change policies.

2. These and other Generic submissions refer to a variety of documents including technical reports on climate change.

3. The Generic submissions filed by *Tania Te Whenua on Climate Change Impacts on Maori and Te Principles of Te Tiriti o Waitangi* were accompanied by a bundle of indexed documents.[1] It is intended that these could be referred to by other Generic Submissions.

4. It is intended that reference can also be made to the very comprehensive bundle of documents filed with the *Brief of Evidence of Timothy Naish*.[2]

5. On reviewing these two bundles of documents counsel has identified two further documents that would seem to be relevant. These are now filed in with as the *Wai 3325 – Index to Documents Referred to in the Generic Submissions on Climate Change Policies.*
