Te Maiharoa Whānau Budgeted Workplan

Thank you for submitting the Te Maiharoa Whānau (Te Maiharoa) 1 December 2024-31 May 2025 Budgeted Workplan for Takutai Moana Financial Assistance Scheme (**Scheme**) consideration.

As noted in our July pānui, to be able to manage our 2024/25 financial year appropriation we are funding applicants that are either involved in scheduled High Court hearings, or nearing a ministerial determination, with complete research and public consultation progress, and an agreed approach to overlapping applicant groups.

Unfortunately, the Te Maiharoa Whānau funding application does not meet the Scheme's funding criteria. At present, we are not able to approve your budgeted workplan for 2024/25.

Nāku noa, nā
