

WAITANGI TRIBUNAL

Wai 3454

CONCERNING

the Treaty of Waitangi Act 1975

AND

a claim by John Hooker and Mere Brooks on behalf of Ōkahu Inuāwai me ētahi atu hapū

MEMORANDUM-DIRECTIONS OF THE DEPUTY CHAIRPERSON

The Registrar will please enter this matter on the register of claims and give it the next available Wai number. The register should note that the claim was received on 15 January 2025.

The claimant should please take note of the 'Wai' number reference at the top of the page. Please use this claim number in any communication with the Tribunal.

This claim is lodged by John Hooker and Mere Brooks on behalf of Ōkahu Inuāwai me ētahi atu hapū and concerns economic development. The claimant alleges that the Crown has breached the principles of the Treaty of Waitangi by:

- failing to ensure Māori have been able to prosper or develop economically over many years;
- failing to prioritise collection of national Māori economic data;
- failing to address the over-representation of Māori in high emission work; and
- failing to ensure that Ōkahu Inuāwai are able to economically benefit from their own resources.

The claimant does not seek any specific relief at this stage.

The claimant may amend this claim at a later stage. In any case the Tribunal may require the claimant to prepare a fully particularised statement of claim before the claim can be heard.

The claimant should also note that this claim is registered only insofar as it concerns contemporary allegations of Treaty breaches by the Crown.

In April 2015, the Chairperson issued a memorandum outlining a kaupapa inquiry programme. A second memorandum updating and refining the kaupapa inquiry process was issued in March 2019. A number of kaupapa inquiries are now under way.

The Tribunal's Strategic Direction 2014-2025, launched by the Chairperson in July 2014, outlines two other new programmes for claims that have fallen outside the scope of the district and kaupapa inquiries, one for remaining historical claims and the other for contemporary claims. Historical claims are those that raise grievances which arose before 21 September 1992. Contemporary claims have grievances that arose on or after that date. Some claims have both historical and contemporary grievances.

The allegations made in this claim are contemporary in nature. It would appear to fall within the scope of the Economic Development Kaupapa Inquiry (Wai 3550).

When the time comes for the claim to be prepared for hearing, the Tribunal will decide whether there are any matters in the present claim that the Tribunal may not inquire into. The claimant needs to be aware that there are some matters that the Tribunal is not allowed to inquire into, such as any Bill that has been introduced into Parliament (unless the Bill has been referred to the Tribunal under section of the Treaty of Waitangi Act 1975). Also, when historical claims are settled, the settlement legislation usually forbids the Tribunal from inquiring further into the matters that have been settled.

The claimant also needs to be aware that the Tribunal does not make settlements. After the Tribunal has completed an inquiry into claims, it writes a report making recommendations to the Crown. It cannot tell the Crown what to do; it may only recommend that the Crown acts to address the negative consequences of its breaches of the principles of the Treaty.

Legal Aid Services provides help for Waitangi Tribunal claimants. For advice on getting a lawyer or receiving funding, please contact Legal Aid Services at their Wellington central office or one of the local offices; the claimant should check their telephone directory for contact details.
