APPENDIX III: LIST OF WĀNANGA PARTICIPANTS

A list of all speakers across the six wānanga and the Crown's presentation is presented below. These lists are not intended as a record of attendance for the wānanga. As such, those who attended but did not speak, or whose names were not captured by the Tribunal have not been included.

Speakers appear in alphabetical order, and where the wānanga spanned multiple days, have been separated into the day they presented at. In some cases, speakers presented at more than one wānanga, or on multiple days within the same wānanga. When this is the case, their names have been listed twice.
