ONE PAGE SUMMARY

Claimant: Alaina Koreena Teki-Clark, Chair, Koriniti Marae Māori Reservation Trust, speaking for Ngāti Pāmoana and the legacy of Tauira (Granddaughter of Chief Poutama).

THE CLAIM
The Crown is failing to implement the Whanganui settlement properly. The Crown's own framework requires monitoring, accountability, and issue resolution. The Crown is not doing these things.

STANDING
Koriniti Marae passed a unanimous resolution on 17 May 2026 rejecting the mandate. It is the only written hapū resolution on the parliamentary record.

THE CROWN DID NOT MONITOR
He Korowai Whakamana requires core Crown agencies to monitor and report on settlement commitments. The Auditor-General has found the Crown's monitoring is a systemic failure. Te Puni Kōkiri leads the system. The Crown has failed to monitor its Whanganui settlement commitments.

THE CROWN DID NOT ENSURE ACCOUNTABILITY BEFORE TRANSFER
The Crown is about to transfer the Koriniti Scenic Reserve to an entity that is not accountable to Ngāti Pāmoana. The Crown's own OIA confirms it did not assess the Interim Trustees' suitability or the PSGE's fitness for purpose [Exhibit 09]. The Crown cannot properly implement the transfer without ensuring accountability.

THE CROWN DID NOT RESOLVE POST-SETTLEMENT ISSUES
The He Korowai Whakamana framework includes an issue resolution process. I filed a formal post-settlement issue. The Crown has not resolved it. The Crown's failure to resolve the issue breaches good faith.

THE LIVED EXAMPLE
The river PSGE, Ngā Tangata Tiaki o Whanganui, shows what happens when accountability is removed. Participation in its 2026 Deed amendment was 9.28%. The Trust claims a mandate from fewer than one in ten beneficiaries. Our people see no benefit. That is the structure the Crown is about to lock in. [Exhibits 86, 87]

THE CONTINUING BREACH

The Crown knows the implementation is flawed. It could still intervene. It has chosen not to. That choice is a continuing breach.

OUR POSITION

Ngāti Pāmoana did not support this settlement. We were excluded. We were denied advice. I accept the settlement will not be overturned. I ask only that the Crown be held to account for its failure to implement it properly.

WHY URGENCY

The Koriniti Scenic Reserve will vest in the PSGE on the settlement date. The whenua is currently administered by DOC. Our whakapapa ties us to it across generations. The settlement does not return it to us. Once the vesting occurs, it cannot be undone. The Tribunal must act before the settlement date. The Waitangi Tribunal is the only forum. The claim is ready.
