WAITANGI TRIBUNAL

Wai 1040

CONCERNING	the Treaty of Waitangi Act 1975
AND	the Te Paparahi o Te Raki Inquiry

MEMORANDUM-DIRECTIONS OF THE PRESIDING OFFICER

1. In my 27 June 2011 directions at paragraph 28 I indicated a 7 July deadline for parties to advise the Tribunal of relevant evidence from adjacent Tribunal inquiries that they wish to add to the record of the Te Paparahi o Te Raki inquiry (Wai 1040, #2.5.85). Counsel filed several such requests on or before 7 July 2011.

2. In addition, several counsel sought leave to file further requests relating to this evidence later. Crown counsel requested an extension until two weeks after the finalisation of the Tribunal statement of issues, currently scheduled for mid-2012.

3. Crown counsel also sought clarification on the purpose of the exercise. Generally the purpose is to make all parties aware of relevant evidence from adjacent inquiries that may have a direct and significant bearing on issues arising in this inquiry.

4. I have directed Tribunal staff to compile a preliminary bibliography of such evidence by 28 July 2011. We will release that preliminary bibliography by direction, based largely upon suggestions filed by counsel by that date and upon advice from the Chief Historian.

5. The evidence referred to in that preliminary bibliography will be referenced to its originating inquiry. We will not place it on the Te Paparahi o Te Raki record at this point, but it may be referred to in all submissions and evidence according to the usual citation procedures. The Registrar will supply copies on request in accordance with the Tribunal's *Guide to Practice and Procedure*.

6. In recognition of the strength of counsel's submissions about the statement of issues clarifying relevancy, I have further directed Tribunal staff to compile a final bibliography for distribution to the parties within two weeks of the finalisation of the Tribunal's statement of issues. Counsel may therefore propose further relevant evidence from neighbouring inquiries for addition to the preliminary bibliography throughout the interlocutory phase of this inquiry. The provisional bibliography will be made available for downloading through the Tribunal website's extranet and will be regularly updated.

7. All items in the final bibliography will be entered on the Wai 1040 record as evidence available to parties and the Tribunal for the purposes of this inquiry.

The Registrar is to send this direction to all those on the notification list for Wai 1040, the Te Paparahi o Te Raki Inquiry.

DATED at Wellington this 11th day of July 2011
