We the claimants, who are members of the pre 1840 Hapu, affiliated to the Maniapoto Confederacy, claim that our Tino Rangatiratanga or sovereign authority, over all our tangible and intangible resources has been systematically and comprehensively usurped by the Crown.

The resources referred to is the Hauturu West Block which consisted of 50,000 acres and every thing on it, under it and over it.

The claimants being myself, and all the descendants of the Tuupuna, Maniapoto, Mango, Haumia and Kinohaku.

We claim we have been and continue to be prejudicially affected by legislation that has been enacted, or in terms of policies or practices or actions or impositions or omissions by the Crown or its agents.

And we claim that these matters are contrary to the principles of the Treaty of Waitangi, Clause 71 and 79 of the N.Z. Constitution Act 1852, and the Te Rohe Potae Compact otherwise known as the Aotea Agreement.

1 The relief we seek will be entered into at a later date with an amended Statement Of Claim
2 We seek funding to do the research ourselves.
3 We ask permission to amend, extend or add to, this claim, if necessary.
4 We wish the claim to be heard at Te Mahoe Pa, Kawhia.
5 We wish that the Court appointed Trustees of the Hauturu West G2 sec. 2B2 Block and supporters be the agents to represent this claim
6 And finally we request that this claim be registered and designated a WAI number
