WAITANGI TRIBUNAL

Wai 1484

CONCERNING the Treaty of Waitangi Act 1975

AND a claim by Paul McIntyre on behalf of himself and Ngāti Manu, Ngāti Poro, Ngāti Hine, and Ngapuhi

MEMORANDUM-DIRECTIONS OF THE CHAIRPERSON

The Registrar will please enter this matter on the register of claims and give it the next available Wai number. The Register should note that the claim was received on 7 July 2008.

This claim is submitted by Paul McIntyre on behalf of himself and Ngāti Manu, Ngāti Poro, Ngāti Hine, and Ngapuhi, and concerns the management of environmental resources within their traditional rohe.

The claimant alleges that Ngāti Manu, Ngāti Poro, Ngāti Hine, and Ngapuhi have been prejudicially affected by the laws, policies, practices, acts, and omissions of the Crown. The claimant alleges that the Crown has failed to protect waahi tapu, manage natural resources, and recognise the customary title and rights of Ngāti Manu, Ngāti Poro, Ngāti Hine, and Ngapuhi, in breach of the principles of the Treaty of Waitangi.

By way of relief, the claimant seeks recommendations from the Waitangi Tribunal including monetary compensation and the return of land. To the extent, if at all, that they seek the return of land that is private land (as defined by section 2 of the Treaty of Waitangi Act 1975), the Tribunal notes that, under section 6(4A) of the same Act, it is prevented from recommending the return to Māori ownership of any private land or the acquisition by the Crown of any private land. This restriction, however, is qualified by the resumption provisions of the Treaty of Waitangi Act 1975 (see sections 8A to 8HJ of the Act).

The claimant may amend the claim at a later stage. In any case, the Tribunal will require that the claimant prepare a fully particularised statement of claim before the claim can be heard.

This claim may be heard with other claims with which it overlaps and may be consolidated with Wai 1040, the combined record of inquiry for Te Paparahi o Te Raki claims, when that inquiry is consolidated.

Insofar as this new claim is concerned, the claimants are urged to consider clustering options and to identify whether they have research needs for their claims. Any questions regarding research or clustering issues should be directed to the Tribunal's inquiry facilitator for the Te Paparahi o Te Raki (Northland) inquiry, as soon as possible.

In respect of legal assistance, the claimant is advised that he may apply to the Legal Services Agency for the provision of legal aid for claims to the Waitangi Tribunal.

The Registrar is to send a copy of this direction to the claimants and to give notice of the claim to:

Crown Forestry Rental Trust
Crown Law Office
Māori Land Information Office
Office of Treaty Settlements
Te Puni Kōkiri
Legal Services Agency
