WAITANGI TRIBUNAL

CONCERNING the Treaty of Waitangi Act 1975

AND the Raglan Harbour Claim

MEMORANDUM-DIRECTIONS OF TRIBUNAL

The Registrar is requested to add to Wai 125 the addition received on 23 May 1995 and to record it as document 1.1(a) on the Record of Inquiry.

The addition to the claim concerns lands described as being in the tribal estate of Ngati Hounuku, Te Ika and Koata; further land described as Te Pepepe 170 (and also known as Whangape); Raglan Harbour; offshore fisheries, including the allocation of fishing quota; and other taonga including forests, natural resources and Te Kopua Papakainga.

The addition states that, in respect of Raglan Harbour, it is a cross claim to Wai 30.

The matters raised in the claim will need to be adequately researched before the claim can proceed to a hearing. The Registrar is requested to send to the claimant a copy of the Tribunal's Practice Notes concerning research funding for claimants. The claimant is also advised to apply to the Crown Forestry Rental Trust for possible research funding.

To the extent, if at all, that the claimant is seeking the return of land which is in private ownership (as defined by section 2 of the Treaty of Waitangi Act 1975), the Tribunal notes that, under section 6(4A) of the same Act, it is prevented from recommending the return to Maori ownership of any private land or the acquisition by the Crown of any private land.

A copy of this direction should be sent to the claimant and notice should also go to:
