WAITANGI TRIBUNAL

CONCERNING the Treaty of Waitangi Act 1975

AND the Ngati Rora claim

MEMORANDUM-DIRECTIONS OF DEPUTY CHAIRPERSON

In a letter dated 13 February 2001, the claimant, Pura Turner, sent an addition to his claim that is registered as Wai 616, the Ngati Rora claim, to the Office of Treaty Settlements. The Office of Treaty Settlements forwarded the addition to the Tribunal's registry. The Tribunal received the letter on 7 March 2001.

The addition adds lands referred to as the Te Kuiti block to the claim area. In a further letter dated 26 March 2001, the claimant has specified how Ngati Rora claim to have been prejudicially affected by legislation, and by acts, omissions, policies, and practices of the Crown, in relation to the Te Kuiti block.

The Registrar is directed to associate both documents together (that is, the addition dated 13 February 2001 and the claimant's letter of 26 March 2001) and enter them as document 1.1(b) on the record of proceedings for Wai 616. The Registrar should record the date of receipt as being 7 March 2001.
