

Te Mouri and a few others dating back to year 1864 to 1888 unknown to my knowledge there are a few Kaimatras saying that Marokopa was never sold, it was taken and sold from council and white settlers. What I am asking is there or could I add Marokopa Settlement and Recreation to my claims, No 587. Once again I would appreciate to hearing from you.

Yours Faithfully
Mr Peter You Haeriti.
