Replacement of Named Claimant**

Thank you for your letter of 21 September 2001. I now attach the required Amcnded Statement of Claim for the purposes of replacement of named claimant.

I take this opportunity to express my appreciation of your most helpful assistance, which I am acting upon, including appointment of Counsel, the details of which will be advised quite shortly.

In addition, as I wish to further prepare for the conference and the subsequent hearings, could you please supply a copy of all the claims shown in the list, kindly supplied to me with the letter dated 27 August 2001 from Ralph Johnson. I have had the opportunity over, in particular, the recent past to engage in some discussion with other claimant interests, and should like to continue with that, given that the Presiding Officer is seeking to understand where there is common ground among claimants and a willingness such as in my case to work in a co-operative or co-claimant manner.
