BENNION LAW

MAY IT PLEASE THE TRIBUNAL

1. This memorandum responds to the tribunal's request to counsel to identify questions that can be addressed in writing after the hearing week, and in particular matters of mere factual clarification and questions that relate to data that would require significant work which Ms Boulton will not be able to complete prior to her appearance but could address afterwards by way of post-hearing evidence (memorandum-directions of 13 February 2013, Wai 898, #2.6.10 paragraphs 1.5 - 1.6).

2. Counsel cannot identify any such questions in the 13 questions which have been asked. Counsel has already culled a much more extensive draft list to include only those questions that relate to key issues relevant to the statement of issues which need to be pursued in cross examination. If it assists, it can be seen that several of the questions require only brief yes or no answers.
