MAY IT PLEASE THE TRIBUNAL

1. This Memorandum replies to the Memorandum Directions of the Tribunal of 21 November 2012 asking Ms Hall to file submissions clarifying the position vis-a-vis the claimants aligned to Te Hono and their support for the Roopuu Mangai.

2. We have identified 52 claims covering the main iwi groups of Ngati Raukawa namely Ngati Raukawa proper, Ngati Kauwhata and the combined hapu of Te Reureu. While there are numerous hapu and iwi, they fit within 9 geographic districts. The districts are not equal in size, population or complexity of issues.

3. We have relied on the comprehensive communications network of Te Hono Ki Raukawa to ensure that the information presented herein is accurate and correct. Claimants listed as supporting Te Hono Ki Raukawa and/or Roopuu Mangai have had to do so in writing. Counsels instructions come from Professor Winiata, Sir Edward Durie, Mrs Gabrielle Rikihana, Mr Dennis Emery and Te Hono Ki Raukawa Council.
