Counsel Acting: Darrell Naden

MAY IT PLEASE THE TRIBUNAL

1. This Memorandum of Counsel is filed on behalf of the named claimant for the Wai 1500 claim, Mr John Henry **("the Claimant")**.

John Henry presentation summary

2. The Claimant intends to present his brief of evidence during hearing week 8 at Te Kotahitanga Marae, Otorohanga.

3. In the Tribunal's memorandum-directions dated 22 April 2013,[1] His Honour Judge Ambler confirmed an earlier direction with regard to the filing of 15 page presentation summaries for briefs of evidence over 15 pages long.[2]

4. The Claimant's brief of evidence was filed on 26 October 2013 and is 26 pages.[3] As per the above memorandum-direction, we filed a 15 page presentation summary on 31 October 2013.

5. We note from the filed hearing timetable that the Claimant has been allocated 1 hour and 40 minutes to present his evidence on Tuesday 5 November 2013. Given the generous allocation of time, and if there is no slippage in the hearing schedule, we respectfully seek leave for the claimant to present his entire 26 page brief of evidence filed on 26 October 2013. We will readily abide by the Tribunal's decision.

Filing Supplementary Information to the Exhibits

6. Exhibits were appended to the Claimant's brief of evidence and filed with the Tribunal on 24 October 2013.[4] The exhibits at pages 0029-0030 and 0049 of the Exhibits are illegible in copied form. Accordingly we have provided re-typed copies of these particular exhibits to assist the reader with understanding this evidence. The re-typed copies are appended to this memorandum of counsel and marked "**A**" and "**B**" respectively.

7. On the Claimant's behalf, we respectfully seek leave to file the supplementary information to the Exhibits.

DATED this 1st day of November 2013

Darrell Naden
