MEMORANDUM OF COUNSEL FILING TECHNICAL EVIDENCE SUMMARIES OF PROFESSOR BELGRAVE TEAM FOR WEEK 9

MĒNĀ KA PAI KI TE RŌPU WHAKAMANA

MAY IT PLEASE THE TRIBUNAL

1. In preparation for the Week 9 Stage II Hearing set down for December 2013, the CCCC have designated Counsel to be lead the presentation of the following technical witness evidential reports of Professor Michael Belgrave and his research team, who were commissioned by CFRT to research specific matters in Te Rohe Pōtae and produced the following two reports:

    i. Te Rohe Pōtae Harbours and Coast, Inland Waterways, Indigenous Flora and Fauna, Sites of Significance, Environmental Impacts Scoping Report, dated March 2010, being document Wai 898 #A64; and

    ii. Te Rohe Pōtae Environment and Wāhi Tapu Report, dated August 2011, being document Wai 898 #A76.

2. Counsel is instructed that the Belgrave team's #A64 Report is relevant to the Inquiry because during the initial scoping research commission investigations, the researchers worked and reported on both general issues as indicated in the report title, as well as a number of specific claimant case-studies which had been raised.

3. The #A76 Report also reports on general, thematic issues and more claimant specific case studies.

4. Counsel seeks leave to file both summary reports which are filed herewith as appendices to this Memorandum.

No reira, anei āku mihi ki te Rōpu Whakamana o Te Tiriti me o koutou na whanau katoa.

Kei Tamaki Makau Rau, tēnei te Rā 11 o Whiringa-ā-Rangi, 2013.
Dated at Auckland, this 11th Day of November, 2013
