

WAITANGI TRIBUNAL

WAI 273

CONCERNING the Treaty of Waitangi Act 1975

AND the Tapuwae 1B and 4 claim

To the Minister of Maori Affairs
And to the Minister of Justice

Tena koutou

This brief report concerns a claim filed on 20 February 1992 relating to Tapuwae 1B and 4 Incorporation. The land under this incorporation was managed under part xxiv of the Maori Affairs Act 1953, and returned to the Maori shareholders with outstanding debts in 1982.

The claim filed alleged negligence during the period of Crown management which resulted in the outstanding debts.

The claimants have filed a notice of discontinuance, and Crown counsel advises that the details of an agreement between the parties, which are to remain confidential, constitute a full and final settlement of the claim.

Accordingly, the Tribunal investigation of this matter is complete, and we have no recommendation to make.

Dated at Wellington this 8th day of March 1993
