MAY IT PLEASE THE TRIBUNAL:

1. This memorandum is filed on behalf of the Wai 329 and Wai 1584 claims in respect of cross-examination estimates for hearing week twelve.

2. Counsel seeks leave to file this memorandum of counsel out of time and respectfully submits that no prejudice will be caused to any parties should leave be granted.

3. Counsel seeks leave to cross-examine Dr Helen Robinson on both of her reports:

   (a) *Te Taha Tinana: Maori health and the Crown in Te Rohe Potae Inquiry District, 1840 – 1900* (Wai 898, #A31); and

   (b) *Te Rohe Potae Maori: Twenty-First Century Socio-Demographic Status* (Wai 898, #A88).

4. In respect of the #A31 report, counsel seek leave to cross-examine Dr Robinson on the following topics:

   (a) The effectiveness of the Maniapoto-Crown relationship as it related to the provision of health care during the period covered by the report; and

   (b) The impact of land loss and the shift of power away from Maniapoto to the Crown, on the health of the Maniapoto community.

5. In respect of the #A88 report, counsel seek leave to cross-examine Dr Robinson on the following topics:

   (a) Any updates (possibly in line with the 2013 census) on the conclusions in the report; and

   (b) The health of Maniapoto living within the Te Rohe Potae Inquiry District relative to Maniapoto living outside the Inquiry District, Maori as a whole and non-Maori.

6. Counsel anticipates requiring no more than 20 minutes cross-examination for both reports which we intend to split in to 10 minutes for each report.

7. Counsel notes that the estimates for the respective reports noted above may be reduced following the cross-examination by the lead claimant-counsel and other claimant-counsel, and will adjust our estimates at hearing week twelve accordingly.

DATED at Gisborne this 14th day of April 2014.
